8* Motion (Hon. Elkanah Nyandoro)

Whereas the County Government of Kisii through the County Public Service Board has made several Appointments in a bid to operationalize the institution of the County Government, and aware that the Constitution of Kenya 2010 has set strict thresholds. This County Assembly requires the Board to furnish the data of Appointments since the inception of the County Government to date

9*Motion (Hon. Ronald Onduso)

Whereas Kisii Town is a fast growing town and whereas the town has become extremely congested, this County Assembly requires that the Transport System be regulated so that motor cycles and matatus as well as heavy commercial vehicles can operate from designated areas and more particularly that motor cycles do not access the CBD.

10*Motion (Hon. Ronald Onduso)

Whereas the level of prostitution has escalated in Kisii Town, involving children who are under age, and aware that it is the responsibility of this house to protect the society and its morals. This County Assembly resolves that real action be taken by the office of ECM Administration to protect these children from the vice.

11*Motion (Hon. Evans Zico)

THAT, aware that the Ministry of Culture and Social Services was allocated funds to undertake projects such as construction of Polytechnics, Youth Empowerment Centres, Cultural Centres, Sports activities and Herbal gardens at Sub-counties and Wards in the last financial year 2013/014; noting that each sub-county and wards were awarded equal allocations for the projects so as to serve the intent of the allocations; I now move this Assembly that the ECM in charge to table a list of the following;

1. List of projects done so far and any work in progress.
2. Area where these projects are located.
3. The amount of money spent and balances if any

**Denotes Motion*
