Aware that service delivery depends on revenue collection, and that the government stands to lose **Kshs.166, 357,483/=** in non- payment of property rates by property owners, further aware that the government targets to raise 1.1b in revenue collection for the financial year 2013/14, this house approves the government's request to introduce and extend a waiver of interest on all rates defaulters for a period of one month to motivate them to pay the principal.

time.

11* MOTION (Hon. Phelister Ochako Metobo)

Aware that article one of the constitution reaffirms the sovereignty of the people of Kenya, Mr Speaker; women form the majority of Kenyans. Therefore, I move the following motion that seeks to form the committee on Gender to cater for special interests of women in order to meet the constitutional threshold in liaison committee.

Further aware that chapter four; Bill of rights (that is firmly based on the principles of the universal declaration of human rights (UDCHR) include equality, non-discrimination equity and human dignity, article 21(3) obligates the Assembly to address the needs of the vulnerable groups.

I move the motion for the creation of the committee on Gender, Youth and Disabled.
